

**NOBLES**<sup>®</sup>  
ENGINEERED BY TENNANT COMPANY

# SCOUT<sup>™</sup> 3B

Battery walk-behind sweeper

# Sweep smarter, not harder with the Nobles Scout-series sweepers

## The Scout™ 3B

### It's flexible

The Scout 3B is well suited for indoor and outdoor cleaning on hard and soft floor surfaces. Battery operation and broom drive makes cleaning simple anytime, anywhere.

### It's efficient

Dual side brushes increase the sweeping path to 34 in / 870 mm, and a large 1.8 ft<sup>3</sup> / 50 L hopper saves you trips to the dumpster, which gives you more time for cleaning.

### It's durable

Major components field-proven in commercial applications for 10 years. Wrapped front bumper design helps prevent high-impact damage to body and side brushes.

### It's easy

Simple, no-tool side brush adjustments and easy-to-use operation mean less time training and more time cleaning. The contoured handle is padded and ergonomically designed for optimal operator comfort.

## Four no-nonsense features

1. **Fully adjustable** dual side brushes clean corners and edges easily without changing directions and can be adjusted to your floor surface for optimal cleaning.

2. **Large hopper** (1.8 ft<sup>3</sup> / 50 L) reduces empties and is easy to remove, simplifying the cleaning process and increasing operator productivity.

## TwinMax™ Sweeping Technology

Equipped with TwinMax sweeping technology, the Scout™ 3B cleans your floors in a single pass. The twin, counter-rotating brushes combine overthrow and direct sweeping principles to capture large and small debris with one machine.

TwinMax technology is designed for sweeping multiple surfaces in both indoor and outdoor environments, giving you maximum versatility for anytime, anywhere cleaning.

- 3. TennantTrue® brushes** are designed to fit your machine and deliver optimal cleaning performance. Chevron bristle pattern and TwinMax technology work together to pick up more debris in a single pass.

- 4. Ergonomically designed handle,** contoured and padded for operator comfort

## Optimize cleaning performance with Tennant*True*®

Maximize the uptime and life of your Tennant equipment with Tennant*True* Parts and Service. Benefit from the unmatched knowledge of our team of over 400 factory-trained and certified Tennant Service technicians. Tennant*True* Parts are designed to fit your Tennant machine and deliver optimal cleaning performance. This helps reduce machine downtime and service calls. Depend on Tennant*True* to help you maximize the effectiveness of cleaning operations.

Tennant*True* Parts program includes Tennant, Nobles, Green Machines and Orbio cleaning equipment.

**Engineered by Tennant Company,  
the Scout 3B is the smart,  
reliable choice for your  
no-nonsense cleaning needs.**

### Scout™ 3B Specifications

Cleaning path	34 in	870 mm
Productivity Practical (per ISSA 540 cleaning times)	18,750 ft <sup>2</sup> /hr / 1,740 m <sup>2</sup> /hr	
Brush speed	378 rpm	
Main brush length	20 in	500 mm
Side brush diameter	13 in	320 mm
Debris hopper volume capacity	1.8 ft <sup>3</sup>	50 L
Power transmission	Maintenance free, high performance belt drive	
Battery w/charger on board	12 V AGM	
Dust filtration	99.97 @ .3 microns	
Filter area	14 ft <sup>2</sup> / 1.3 m <sup>2</sup>	
Product length	43 in	1092 mm
Product width	30 in	760 mm
Product height	55.7 in	416 mm
Product weight w/battery	123 lb	56 kg
Product weight w/o battery	101 lb	46 kg
Sound level (operator's ear)	65 dBA	
Warranty	See your local representative for warranty information
