After the warranty period expires, repair parts supplied by Tennant are warranted against defects for the period of ninety (90) days. The repair parts warranty only covers parts, not labor or travel.

Labor performed by a Tennant service representative and related travel costs are warranted for thirty (30) days from the date the repairs are completed. This policy does not cover work performed by any service company other than Tennant, and is restricted to the specific repair operation or component for which a claim is made.
