

High Speed Burnisher

Durable design and excellent performance in a high speed burnisher.

Delivering results

At 1600 rpm, this burnisher delivers excellent gloss on a variety of floor finishes. Easily maneuver around furniture, radiators and toe kicks with this unit's low profile base.

Operator comfort and safety

The floating handle easily adjusts to any height operator and allows for comfortable use. The twist grips incorporate a safety lock to ensure operator safety.

Durable construction

Made of durable polyethylene, this rugged unit is able to withstand years of use.

Key Benefits

- Delivers excellent gloss performance on a variety of finished floor surfaces
- Burnisher made of durable corrosion-proof polyethylene
- Floating handle ensures operator comfort
