

## F-Series

## Rugged, Long-life Floor Machines

- Superior performance from heavy-duty 1.5 hp motors and pad drivers
- Extreme durability from industrial-strength, corrosion-proof polyethylene
- Risk-free ownership from the best and only 10/3/3 floor machine warranty

## High-performance, best-warranty floor machines from the leader in floor care.

The new F-Series family of floor machines from Tennant are the proven performers for polishing, scrubbing, stripping or sanding most any hard floor type.

### Long-life, industrial-strength construction

Tennant offers floor machines made from durable, corrosion-proof, polyethylene. Combine this with a risk-free 10/3/3 warranty and you can count on years of use.

### Superior performance with low maintenance

With a dramatically-simplified design, and a heavy-duty 1.5 hp motor, the F-Series requires little maintenance to deliver superior cleaning and maintenance results.
