VERSATILITY AND VALUE

INDOOR ENVIRONMENTAL QUALITY

The F8 floor machine rapidly removes most types of soil and scuff marks from a variety of floors, leaving a polished floor that attracts less dirt and is easier to clean.

PROVEN DURABILITY

The F8 helps to produce a high gloss finish floor, harden coatings and polished films and can be used in spray cleaning coated floors.

OPERATOR CONVENIENCE

Increase ease of operation with an ergonomically designed, comfortable handle. Increase health and safety with a low sound level and double safety switch to protect operators.
