

REINVENT HOW THE WORLD CLEANS

T17

Heavy-duty battery rider scrubber-dryer

An innovative, high-performance battery scrubber-dryer focused on delivering customized solutions to meet customer needs. The T17 cleans effectively in just one pass, preserves indoor air quality, and improves operator and supervisor experience, all in one machine!

Available technologies

ec-H2O™ technology with
Severe Environment™ switch

Detergent metering

Pro-Panel™ LCD touch screen or
Touch-n-Go™ control module

IRIS® Fleet Manager

ES® Extended Scrubbing

Blue spot light for
enhanced safety

Engineered for **Productivity**

- 1. Touch-n-Go™ control module** with 1-Step™ start button allows operators quick access to settings without removing hands from the steering wheel. Also available with optional Pro-Panel™ technology with rear-view camera.
- 2. Car-like propel and brake pedals** allow for easy operation.
- 3. Recovery tank access step** allows easy access to inspect and clean the recovery tank.

- 4. Revolutionary patent-pending water trap** helps reduce spills and dripping by providing unrestricted airflow and captures moisture left in the recovery hose on shutdown.
- 5. Swinging squeegee** provides excellent water recovery to help reduce the risk of slips and falls.
- 6. Large battery capacity options** extend runtime for increased productivity.

Optional Accessories

Pressure washer delivers a powerful spray to clean tough soils.

FOPS certified overhead guard protects operators from falling objects.

Rear squeegee protection kit helps prevent squeegee damage.

Live vacuum wand for quickly picking up miscellaneous debris like shrink wrap.

Inside the T17

1. Forward operating position improves operator safety and visibility.

2. Full front shroud ensures operator leg and foot protection.

3. Wraparound steel bumper helps protect your investment.

4. Yellow touch points save time and ensure proper maintenance.

5. Dual vacuum fans with corrosion-resistant impeller designed for long life.

6. Debris basket keeps material out of the recovery tank and prevents clogging.

7. Solution tank surroundings are engineered to provide maximum visibility, expanding sightlines to the cleaning path.

Get the performance you need

The T17 scrubber-dryer delivers consistent cleaning results in even the toughest environments with effective scrubbing.

Scrubbing side brush for increased edge reach and 20% wider path.

Cylindrical scrub head for scrubbing on rough floor surfaces.

Disk scrub brush for effective scrubbing and simple no-tool brush change.
