

T350 with Click-Cart™

STAND-ON SCRUBBER-DRYER

Tennant T350 with Click-Cart

allows floor cleaning professionals to bring the tools and equipment they need to quickly clean virtually any soil, anytime, anywhere.

T350 STAND-ON SCRUBBER-DRYER

Category-leading productivity:

- Effectively clean over 2500m² per hour
- 90 minutes between dump and fill

CLICK-CART

Optimize cleaning shifts by having more cleaning tools readily available.

- Enhance the image of the facility by rapidly cleaning emergency wet and dry spills
- Efficiently clean floor and non-floor surfaces
- Save time by eliminating long walks to the janitor closet to collect the right equipment
- Easily perform small maintenance tasks on T350, like emptying the debris tray or cleaning the squeegee blades

Reduce the overall cost to clean with **T350 and Click-Cart**

Easily connect and disconnect the cart – bring the cart into small spaces or park it while using T350 on open spaces

Debris basket – discretely dispose of any solid debris like glass, cardboard, wood

Carry-on tray – store and carry spray bottles and small cleaning tools to clean non-floor surfaces

Cleaning tools not included

Large drawer – store pre-wet mops, towels, spare waste bags, soap, small equipment, ...

Accessory holders – store a mop, wet floor sign, broom and dust pan or other large accessories

Document holder – keep work schedules or other documents clean and nearby

Delivering high performance and consistent results for virtually any hard surface condition while lowering cleaning costs.
