

# Wide Area Vacuum V-WA-26

## Wide cleaning path and powerful motors get the job done right.

### Impressive performance

This wide area vacuum delivers outstanding water lift and vacuum performance due to its dual motor system design and ensures debris pickup and clean carpet.

### Versatile vacuum

This rugged, low profile, wide area vacuum is perfect for vacuuming large areas in schools, hospitals, healthcare facilities and many others.

### Choose the right option for your needs

A clean air exhaust filter is available for increased indoor air quality. An attachment kit containing a crevice tool, dusting brush, upholstery tool, hose and extension wand is also available.

## Key Benefits

- Easily cleans dust-sensitive environments with impressive dust filtration system
- Adjustable height settings to accommodate various floor surfaces
- Vacuum under furniture easily with a low profile body design

# Wide Area Vacuum V-WA-26
