

TennantTrue® Cleaning Solutions

Superior Performance with Sustainability Benefits

Superior cleaning results every time

- Four degreasers for heavy duty cleaning
- Two detergents for light and medium duty requirements
- Recommended applications will meet or exceed expectations
- Color coded for easy identification, training and safety
- Available in 2.5 gallon containers for easier handling and use

Environmentally safer performance

- All products use biodegradable surfactants
- Recyclable packaging
- Supports green cleaning initiatives

Formulated for Tennant machines

- Will not harm gaskets, seals, vacuum fans or other critical components
- Optimized for Tennant® and Nobles® auto-scrubbers
- Low foam detergents that deliver high-performance results

Advanced
Solutions from
Tennant

The cleaning
results you need.

The sustainable
qualities you want.

SUPER STRENGTH SOLVENT DEGREASER

1. Category Code:
A4, Registration
number: 144490

**LOW
FOAM**

Orange

- Used for extremely aggressive cleaning applications
- Industrial facilities and heavy manufacturing

- For industrial applications
- Designed for use in walk behind and rider auto-scrubbers
- Low foam
- pH: 7-8
- Tire mark removal
- Won't harm critical machine components

- General cleaning: 1/2-3 ounces per gallon of cold water
- Heavy cleaning: 4-8 ounces per gallon of water
- Severe cleaning: up to 15 ounces per gallon of water

- Contains biodegradable surfactants
- Recyclable plastic packaging

Part: 9008794

HIGH ALKALINE DEGREASER

1. Category Code:
A4, Registration
number: 142957

**LOW
FOAM**

Red

- Used for heavy duty cleaning
- Highly effective on heavy petroleum and grease
- Heavy manufacturing and facilities with petroleum and grease

- For industrial applications
- Designed for use in walk behind and rider auto-scrubbers
- Low foam
- pH: 12.5-13.5
- Won't harm critical machine components

- Light cleaning: 1 ounce per gallon of water
- Heavy cleaning: 4 ounces per gallon of water

- Contains low volatile solvents and biodegradable surfactants
- Recyclable plastic packaging

Paid by Tennant

HIGH ALKALINE GRANULAR DEGREASER

**LOW
FOAM**

White Granular

- Used for heavy duty cleaning
- Highly effective on heavy petroleum and grease
- Heavy manufacturing and facilities with petroleum and grease

- For industrial applications
- Designed for use in walk behind and rider auto-scrubbers
- Low foam
- pH: 12-13 @ 3%
- Won't harm critical machine components

- Light cleaning: dilute one 2.2 lb. bag or four cups per 30 gal. of warm water
- Heavy cleaning: dilute one 2.2 lb. bag or four cups per 15 gal. of warm water

- Contains low volatile solvents and biodegradable surfactants
- Recyclable corrugated packaging

More green, more clean

Tennant leads the industry with innovative technologies for floor surface cleaning machines. Breakthrough products such as ec-H2O™ and FaST® have set higher standards for environmentally safer cleaning.

Tennant*True*® cleaners and degreasers are formulated for superior performance in Tennant machines. Tennant*True* products offer effective cleaning results with reduced environmental impact at affordable prices. These cleaning solutions provide several environmental benefits:

- The surfactants used are biodegradable
- All Tennant detergents use plastic or corrugated packaging for easier handling and recycling

Clear advantages

If you already use Tennant machines, Tennant*True* Cleaning Solutions will provide superior results; they also work effectively in equipment from other manufacturers. They meet a full range of cleaning requirements, from regular maintenance to restorative scrubbing.

All of the detergents have low foam formulas that will not harm critical components such as gaskets, seals or vacuum fans, saving you costly repairs and downtime.

Five colors of clean

Tennant*True* Cleaning Solutions packages are color-coded for easy identification. This saves time and prevents errors in training and everyday use:

- White (clear) – Neutral pH Daily Cleaner
- Purple – General Purpose Cleaner
- Yellow – Neutral pH Solvent Degreaser
- Orange – Super Strength Solvent Degreaser
- Red – High Alkaline Degreaser (Liquid or Granular)

Environmentally superior and efficient

As we created these products, our goal was to reduce the environmental impact of each formula. We also knew they had to clean effectively at competitive prices. It took time, but we didn't compromise. You get first-class cleaning results and environmental performance – safely and affordably – with Tennant*True* Cleaning Solutions.
