

TRUE quality. TRUE performance. TRUE peace of mind.

Tennant*True*®

Safety & Performance Inspection Service

VISUAL CHECKUPS AND TRAINING — TO SUPPORT YOUR SITE

Tennant*True* Safety & Performance Inspection Service helps to ensure your staff is trained in daily maintenance procedures and can resolve equipment repairs the right way so your machines can continue operating at optimum levels. We visit your facility twice a year to visually inspect your equipment, provide a corresponding report and quote to perform necessary work and train your staff on the latest equipment advances.

If you want to keep your staff up to speed on changes in technology — and have a set of expert factory-trained eyes on your equipment, Tennant*True* Safety & Performance Inspection Service is the plan for you.
